MEDICINAL

The Pen in the Hand is worth two in the Mind.

If you have "a good mind to write to Dr. Pierce" take pen in hand and begin. Then you'll avoid the experience of Mrs. M. P. Davis, of Honaker, Russell Co., Va. She writes:

"For seven years I was confined to bed most of the time. I had ulceration of internal organs and female weakness. I had four doctors and they said I could not be cured. After the doctors said I could not be cured I wrote to Doctor Pierce for advice. I followed the advice he gave. I feel better than I ever did. My friends say I do not look like the same woman. I am sorry I did not take Dr. Pierce's medicine when I first began to have poor health. I could have saved what I paid to humbugs."

No one ever regretted writing to Dr. Pierce for advice. Many have regretted not writing sooner.

Sick women are invited to consult Dr. Pierce by letter, free, and so obtain the opinion and advice of a specialist in diseases peculiar to women. All correspondence private. Address Dr. R. V. Pierce, Buffalo, N. Y.

Dr. Pierce's Medical Adviser, 1008 pages, is sent free on receipt of stamps to defray expense of mailing only. Send 21 one-cent stamps for paper covers, or 31 stamps for cloth. Address as above.

PRESENTATION OF PORTRAITS

The regular term of the Fairfax County Court, Judge J. M. Love presiding, will be held on Monday next. Judge Chas. E. Nicol will also hold a special term of the Circuit Court on that day. No routine business will be considered, however, as the day will be devoted to the unveiling of certain portraits of former distinguished citizens of the county, and speeches will be made by gentlemen of State and national reputation. Anticipating that the courtroom will not hold the large crowd that is expected to be in attendance, a large platform, capable of seating hundreds of people, has been built all around the court-house. As before announced in these columns, nine portraits will be presented.

First, the portrait of General George Washington will be presented, Mr. Robert E. Lee, Jr., making the presentation speech. Gen. Washington, for many years prior to the Revolutionary War, was one of the presiding justices of Fairfax county.

Justice John M. Harlan, of the U. S. Supreme Court, will make the speech in presenting the portrait of Geo. Mason, of Gunston Hall. Mason was the author of the Virginia Bill of Rights, the intimate friend of Washington and Jefferson, and a man of profound learning and ability. He was the great-grandfather of Gen. Fitzhugh Lee, who will probably be present.

Mr. Clarence Carey, of New York, a direct descendant, will make the speech to presenting the portrait of Lord Thomas and Bryan Fairfax. These gentlemen were also presiding justices at one time and were closely identified with the early history of the county.

Mr. Joe Packard, of Baltimore, will present the portrait of Gen. Walter Jones, a distinguished lawyer of his day.

Gen. Eppa Hunton, of Warrenton, will make the speech in presenting the portrait of Judge John Webb Tyler, who presided over the courts of this circuit with distinguished ability many years ago.

Judge James Keith, president of the Virginia Court of Appeals, will make the speech in presenting the portrait of Judge Henry W. Thomas, our former circuit judge, who was long recognized as one of the leading men of the State, and whose memory is cherished with affectionate regard by our people.

Mr. Lewis H. Maschen will speak in presenting the portrait of Judge D. M. Chichester, our late county judge, whose sterling merit as a jurist and purity of character as a man endeared him to all who knew him.

Mr. R. Walton Moore will speak in presenting the portrait of Mr. F. D. Richardson, who, for a long term of years, was clerk of the courts of Fairfax, and whose efficiency, manner, and kindness of character placed him in the front rank of that class of officials who, in his day, were unequalled by any other class of men in the public service.

The citizens of Fairfax will doubtless attend these exercises in great numbers and the occasion will be full of interest to all who may be so fortunate as to be present. [Fairfax Herald.]

Dr. Bull's Baby Syrup for teething babies, 5-cent bottle, 10 cents. Cures Wind Colic, Diarrhea, Loss of Sleep, Griping Pains, Sour Stomach, Fever, Cholera Infantum. Dr. Bull's Baby Syrup also promotes the digestion and soothes the baby. Sold by Richard Gibson and all druggists.

A Very Remarkable Remedy.

"It is with a good deal of pleasure and satisfaction that I recommend Chamberlain's Colic, Cholera and Diarrhoea Remedy," says Druggist A. W. Sawtelle, of Hartford, Conn. "A lady customer, seeing the remedy exposed for sale on my show case, said to me: 'I really believe that medicine saved my life the past summer while at the shore,' and she became so enthusiastic over its merits that I at once made up my mind to recommend it in the future. Recently a gentleman came into my store so overcome with colic pains that he sank at once to the floor. I gave him a dose of this remedy which helped him. I repeated the dose and in fifteen minutes he left my store smilingly informing me that he felt as well as ever." Sold by Richard Gibson, druggist.

IN ALL STAGES of Nasal Catarrh there should be cleanliness. As experience proves, Elys Cream Balm is a cleanser, soothes and healer of the diseased membrane. It is not drying nor irritating, and does not produce sneezing. Price 50c at druggists or it will be mailed by Elys Brothers, 56 Warren Street, New York. Upon being placed into the nostrils it spreads over the membrane and relief is immediate. It is an agreeable cure.

If people only knew what we know about Kodol Dyspepsia Cure it would be used in nearly every household, as there are few people who do not suffer from a feeling of fullness after eating, belching, flatulence, sour stomach or waterbrash, caused by indigestion or dyspepsia. A preparation such as Kodol Dyspepsia Cure, which, with no aid from the stomach, will digest your food, certainly can't help but do you good.

BREAD.

CORBY'S MOTHER'S BREAD

IS THE BEST IN THE WORLD.

The Corby process of mixing the dough puts 22 per cent more gluten in "Mother's Bread."

In a recent interview Mr. Corby gave the following explanation of how this was accomplished:

"Chemists have found that flour does not contain gluten in the flour state, but there are two proteins called 'gliadin' and 'glutenin,' which, when hydrated into the dough mass, from gluten in the dough, and by the ordinary method in use and the hand manipulation it has been impossible to develop all the gluten, until we brought out our new patented dough-making machine and process.

This machine and process absolutely brings every particle of the gliadin and glutenin together, which is the only possible way of forming the gluten.

It is the presence of gluten which makes "Mother's Bread" so healthful—so nutritious and so wholesome." Sold by all grocers.
